L

*"Green is the prime
color of the world,
and that from which
its loveliness arises."*

- Pedro Calderon de la Barca

From the Director

Dear Friends,

The Color Green. We associate this color in so many ways. The first to come to mind is St. Patrick's day. There is the Shamrock, the river in Chicago, St. Pattie's day itself and let's not forget green beer. No matter your origin, this day you are green. Then there is the money that we spend everyday. It is sometimes referred to as greenbacks. Golfers spend a lot of time putting on the greens. We know to proceed when the light turns green. And we cannot forget those fans who live in East Lansing shouting "GO GREEN GO WHITE". I have never truly understood that one.

But the color green is much more than that. It is the color that can be found in any part of our world. It is the backdrop to the beauty that can be found almost anywhere. It comes in the form of leaves in the summer that adorn trees of many species that make the woods and forest a special place to visit. It is the ivy on the walls of old buildings that are steeped in tradition. It is the grass in the meadows that create a magical place to explore. It is the color that adorns the palate of the most beautiful flowers that bloom in the spring.

Green is a color that creates the feeling of peace and comfort. It abounds in areas that entice people to want to take long walks and enjoy its splendor. It gives us a feeling of calm as we drink in the wonder of the landscape of trees, flowers and grasses that are an artistic masterpiece that only God could paint.

So, the next time you visit a National Forest, take a walk in a meadow, visit Dow Gardens or just cut your front lawn, think of the color green. Take time to look at the whole picture and realize the role it plays in the total beauty that surrounds you. It may surprise you how wonderful the color really is.

"Green is the prime color of the world, and that from which its loveliness arises." Pedro Calderon de la Barca

All is well!

MOVIE NIGHT

Tuesday, March 5, 7 pm

MOVIE DAY

Wed., March 6, 12 noon

In the 1960s, four scrappy young men from New Jersey -- Frankie Valli (John Lloyd Young), Bob Gaudio (Erich Bergen), Nick Massi (Michael Lomenda) and Tommy DeVito (Vincent Piazza) -- have the magic sound that propels them from singing under streetlights to singing in spotlights. With songs like "Sherry," "Big Girls Don't Cry" and "Walk Like a Man," the quartet finds itself at the top of the charts. However, personal and professional problems threaten to tear the group apart.

Admission for Movie Night at Loose is free thanks to our generous sponsors-Tanglewood Home Care & Lockwood of Fenton.

Refreshments will be served! Donations to Loose, to defray facility usage cost, will be much appreciated.

WOULD YOU

- ♦ Learn more about the new Tax Reform and how it may affect you.

DO YOU

Give to your church, charities or any non-profit and are interested in learning a more tax effective way to give?

Many groups ask us for a share of our wallets, shouldn't we at least know and be aware of the best ways to give so we make better decisions.

Legacy Planning Affects everyone.

Research Participants Needed

Researchers at the University of Michigan – Flint are doing a study to determine if tools used to measure balance and fall risk in breast, prostate, lung, and colorectal cancer survivors can be considered reliable or valid for use in this group. The study is being performed because cancer and its treatment result in multiple problems affecting physical function, mobility, and balance which contribute to a higher risk of falls and may result in long-term disabilities. Adults age 65 years or older with a history of breast, lung, prostate or colorectal cancer who are at least 3 months from the last cancer treatment and who can walk 50 feet or more are needed to complete two 1 hour sessions at University of Michigan-Flint. Each session will be 2 weeks apart and a monetary incentive will be provided upon completion of the testing sessions. The Cool2Duel Dueling Pianos concept can be summed up in a single word: FUN! Combine two sharp-witted, incredibly talented musicians with two pianos on stage, and add a roomful of people: The result is an evening of fast, funny, unforgettable interactive entertainment. The musical repertoire ranges from classic rock to country, hard rock to R&B, oldies and show tunes to the newest Top 40 hits. Best of all, the audience is the star of the show - sending up requests, singing along to favorites, bantering with performers, and having the time of their lives.
